CALIFORNIA - GROWN ROSES

100 VARIETIES 2 YEAR FIELD GROWN NO. 1

Every rose listed in this catalog is strictly No. 1 two-year field California grown, and all Hybrid Tea Roses will bloom the First Year. No better roses can be bought at any price.

We advise planting Dormant Roses

between the dates of March 10th and April 16th, and planting dormant bushes in preference to potted bushes. When planting early, however, we have potted roses and recommend them for late planting.
